a history of the different views of the Lords supper transsubstantiation etc. to church to day and heard a scolding for those who stay away from Church and communion. I dont want to complain, but it did not seem to me that either discourse was likely to do good, and my heart was heavy and I wanted to be helped to a sense of my Father's love. Well surely I needed nothing more than the memento Christ himself gave us and that I had.

Well I am sure I had no thought of writing so when I began, but such as it is let it go. Take care of yourself my child and dont do any reckless things. Yours. Mamma.

Sabbath eve.

Dear Millie

How did you find things at the Club house was the "Chinee" in place and the girls, men they all back? I did not at all enjoy the thought of my child going back there. The Club house seems to me very unhomelike. Well, as you are younger and have more elasticity of spirit than I perhaps you dont mind it. Did you find time to put those buttons on and do you find the wrapper warm and comfortable? I have felt very sorry that I did not have energy enough

to get up Wednesday morning and work awhile before breakfast; then I might have finished it. The truth is it did not occur to me that it was possible for me to do so until after you were gone and I had time to think and be sorry. I suppose you had the same disagreeable Norther that we had. It seemed to affect Annie, making her cough more and making her throat dry and husky. That is relieved now but she is quite hoarse. We were much encouraged to hope for rain and the papers say there has been some in the southern part of the State but though it has been cloudy here we have had no rain.

What a bleeding our lines appear to be of utter and entire helplessness and absolute necessity for self help. Puzzeling questions meet us all the way and I believe, the more we learn the more puzzles we discover. Is man a free agent, or is he a strand afloat on the waves? Oh what miserable torture it all would be if we lost faith in Our Heavenly Father and could not lean our human hearts on Thine?

Well yes I do feel blue tonight. I went to preparatory lecture yesterday and heard
